

1. Pang, K. L. (2019). Fungi of the hydrothermal vent ecosystem at Turtle Island and their physiological adaptations. Asian Symposium of Microbial Ecology, 11-13 May 2019, Tunghai University, Taichung, Taiwan.
2. Guo, S. Y. and Pang, K. L. (2018). Diversity of fungi at the hydrothermal vent ecosystem at Gueishan Island, Taiwan. In: Abstracts, 15th International Marine and Freshwater Mycology Symposium, 26-28 September 2018, Third Institute of Oceanography, State Oceanic Administration, China. P35
3. Tibell, S., Tibell, L., Pang, K. L. and Jones, E. B. G. (2018). Marine filamentous fungi from Sweden. In: Abstracts, 15<sup>th</sup> International Marine and Freshwater Mycology Symposium, 26-28 September 2018, Third Institute of Oceanography, State Oceanic Administration, China. P42
4. Su, C. J., Ju, W. T., Lin, H. J. and Pang, K. L. (2018). Combined effects of pH, salinity and temperature on growth of mangrove *Halophytophthora*. In: Abstracts, 15th International Marine and Freshwater Mycology Symposium, 26-28 September 2018, Third Institute of Oceanography, State Oceanic Administration, China. P44
5. He, C. C., Cha, H. J. and Pang, K. L. (2018). Diversity of fungi associated with the red alga *Pterocladia capillacea* through isolation and metagenomics. In: Abstracts, 15th International Marine and Freshwater Mycology Symposium, 26-28 September 2018, Third Institute of Oceanography, State Oceanic Administration, China. P45
6. Shaumi, A. and Pang, K. L. (2018). Aquatic fungi along the River Shuang, Yilan, Taiwan. In: Abstracts, 15th International Marine and Freshwater Mycology Symposium, 26-28 September 2018, Third Institute of Oceanography, State Oceanic Administration, China. P46
7. Chi, W. C., Chen, W. L., Lee, T. H. and Pang, K. L. (2018). Isolation and identification of an antifungal compound from endophytic fungus *Alternaria brassicicola* associated with *Acanthus ilicifolius* at Kinmen. In: Abstracts, 15th International Marine and Freshwater Mycology Symposium, 26-28 September 2018, Third Institute of Oceanography, State Oceanic Administration, China. P47
7. Guo, S. Y., Chen, I. A., Hsieh, S. Y. and Pang, K. L. (2017). Diversity of marine fungi on sandy beaches of Taiwan. In: Abstracts, Center of Excellence in Fungal Research International Conference 2017, 11-13 January 2017, Mae Fah Luang University, Chiang Rai, Thailand.
8. Ju, W. T., Lin, H. J., Chen, Y. M., Hsieh, S. Y. and Pang, K. L. (2017). Diversity and fatty acid profile analysis of the genus *Halophytophthora* in Taiwan mangroves. In: Abstracts, Center of Excellence in Fungal Research International Conference 2017, 11-13 January 2017, Mae Fah Luang University, Chiang Rai, Thailand.
9. Cha, H. J. and Pang, K. L. (2015). Fungal community associated with *Pterocladia capillacea* in northern Taiwan. In: Abstracts, 1st International conference of Marine

- Fungal Natural Products Consortium, 22-24 July 2015, Faculty of Pharmacy, University of Nantes, France. P15
10. Chi, W. C., Pang, K. L. and Lee, T. H. (2015). Chemical constituents of the fermented broth of the endophytic fungus *Alternaria brassicola* NTOU4368 associated with *Acanthus ilicifolius*. In: Abstracts, 1st International conference of Marine Fungal Natural Products Consortium, 22-24 July 2015, Faculty of Pharmacy, University of Nantes, France. P47
  11. Lee, M. S., Hsiao, C. J., Pang, K. L., Cha, H. J. and Lee, T. H. (2015). Chemical constituents from the fermented broths of *Phoma* sp. NTOU4195. In: Abstracts, 1st International conference of Marine Fungal Natural Products Consortium, 22-24 July 2015, Faculty of Pharmacy, University of Nantes, France. P52
  12. Chang, W. H., Cha, H. J., Pang, K. L. and Lee, T. H. (2015). Chemical investigation of the fermented broths of *Hypocrea lixii* NTOU4253. In: Abstracts, 1st International conference of Marine Fungal Natural Products Consortium, 22-24 July 2015, Faculty of Pharmacy, University of Nantes, France. P54
  13. Cha, H. J. and Pang, K. L. (2014). Fungi associated with the red alga *Pterocliadiella capillacea* collected in Northern Taiwan. In: Abstracts, International Mycological Congress (IMC10), 4-8 August 2014, Queen Sirikit National Convention Center, Bangkok, Thailand. P4.5.7
  14. Pang, K. L. (2014). Marine *Dactylospora* species including *D. vrijmoediae* sp. nov. form an unidentified lineage in the Eurotiomycetes. In: Abstracts, International Mycological Congress (IMC10), 4-8 August 2014, Queen Sirikit National Convention Center, Bangkok, Thailand. P4.5.18
  15. Halim, H., Motior, M. R., Pang, K. L., Redzwan, G. and Alias, S. A. (2013). Metal tolerance and uptake of Pb(II) and Cr(VI) of selected marine fungi isolated from metal polluted mangrove surface sediment in West and East Coast of Malaysia. In: Abstracts, Asian Mycological Congress 2013 and the 13th International Marine and Freshwater Mycology Symposium, 19-23 August 2013, China National Convention Center, Beijing, China. P94-95
  16. Awaluddin, H. H., Alias, S. A., Jones, E. B. G. and Pang, K. L. (2013). Diversity of sand-associated marine mycota from east and west coast of Peninsular Malaysia determined using morphology and molecular fingerprinting technique. In: Abstracts, Asian Mycological Congress 2013 and the 13th International Marine and Freshwater Mycology Symposium, 19-23 August 2013, China National Convention Center, Beijing, China. P84-85
  17. Calado, M. da L., Carvalho, L., Pang, K. L. and Barata, M. (2013). Diversity of marine fungi associated with *Spartina maritima* (Curtis) Fernald in Portuguese saltmarshes. In: Abstracts, Asian Mycological Congress 2013 and the 13th

- International Marine and Freshwater Mycology Symposium, 19-23 August 2013, China National Convention Center, Beijing, China. P83-84
18. Alias, S. A., Idid, R., Guo, S. Y. and Pang, K. L. (2013). Phylogenetic relationships between genera in the Halosphaeriaceae (Microascales, Sordariomycetes) based on a multi-gene analysis. In: Abstracts, Asian Mycological Congress 2013 and the 13th International Marine and Freshwater Mycology Symposium, 19-23 August 2013, China National Convention Center, Beijing, China. P81
  19. Pang, K. L., Hsiao, C. J., Chang, Y. C., Chen, Y. Y., Tang, S. J. and Lee, T. H. (2013). Novel polyketides from the littoral plant associated fungus *Pseudallescheria boydii* NTOU2362. In: Abstracts, Asian Mycological Congress 2013 and the 13th International Marine and Freshwater Mycology Symposium, 19-23 August 2013, China National Convention Center, Beijing, China. P124
  20. Cha, H. J. and Pang, K. L. (2013). Agarase activity of marine fungi isolated from the red alga *Pterocladia capillacea* collected in northern Taiwan. In: Abstracts, Asian Mycological Congress 2013 and the 13th International Marine and Freshwater Mycology Symposium, 19-23 August 2013, China National Convention Center, Beijing, China. P118-119
  21. Vrijmoed, L. L. P., Kwong, T. F. N. and Pang, K. L. (2011). Outcome-based teaching and learning in mycology: enhancement of learning through assessment. In: Abstracts, Asian Mycological Congress 2011 & the 12th International Marine and Freshwater Mycology Symposium, 7-11 August 2011, University of Incheon Convention Center, Incheon, Korea. P491
  22. Pang, K. L., Jheng, J. S., Koch, J. and Jones, E. B. G. (2011). Taxonomy and phylogeny of *Arenariomyces* (Halosphaeriaceae, Ascomycota). In: Abstracts, Asian Mycological Congress 2011 & the 12th International Marine and Freshwater Mycology Symposium, 7-11 August 2011, University of Incheon Convention Center, Incheon, Korea. P437
  23. Sharuddin, S. S., Alias, S. A., Nor, H. M., Nor, N. A. M., Awaluddin, H. H. and Pang, K. L. (2011). Observation on the biodiversity of marine lignicolous fungi from mangroves with 20 new record species for Malaysia. In: Abstracts, Asian Mycological Congress 2011 & the 12th International Marine and Freshwater Mycology Symposium, 7-11 August 2011, University of Incheon Convention Center, Incheon, Korea. P441
  24. Pang, K. L. and Jheng, J. S. (2011). A checklist of marine fungi of Taiwan. In: Abstracts, Asian Mycological Congress 2011 & the 12th International Marine and Freshwater Mycology Symposium, 7-11 August 2011, University of Incheon Convention Center, Incheon, Korea. P478
  25. Boonyuen, N., Chuaseeharonnachai, C., Suetrong, S., Sri-indrasutdhi, V., Sivichai,

- S., Pang, K. L. and Jones, E. B. G. (2011). Savoryellales, a new order of aquatic ascomycetes in the Hypocreomycetidae, Sordariomycetes. In: Abstracts, Asian Mycological Congress 2011 & the 12th International Marine and Freshwater Mycology Symposium, 7-11 August 2011, University of Incheon Convention Center, Incheon, Korea. P415
26. Calcul, L., Waterman, C., Beau, J., Ma, W., Mutka, T., Chow, R., Baker, B., Kyle, D., van Olphen, A., Vrijmoed, L., Pearce, C., Pang, K. L. (2011). Isolation and identification of antimalarial compounds from high-throughput screening of niche microbiota. In: Abstracts, 2011 American Society of Pharmacognosy Annual Meeting, 30 July-4 August 2011, Paradise Point Resort, San Diego, California, USA. P300
